Local Authority Designated Officer (LADO)

The LADO (also known in Central Bedfordshire as the Allegations Manager) oversees investigations into allegations and concerns against adults who work with children and young people in both a paid and voluntary capacity.

The criteria for LADO intervention is where the behaviour of an adult has resulted in a child being harmed or at risk of harm; a criminal offence may have been committed or the behaviour of the adult may indicate unsuitability to work with children.

If you have concerns about the conduct and behaviour of someone working with children and young people you can contact our LADO as follows:
